Statement on Stopping Somalia Mining, Oil and Gas Conference 19-21 March 2018

08th December, 2017

Our Ref: L0018/2017

Amsas Contractors a subsidiary of Amsas Consulting and its Partner IRN International regret to announce that with effect from today we have ceased the proposed Somalia Mining, Oil and Gas Summit due to circumstances that emanated from lack of clarity and disorganization of the Institution that is responsible for Petroleum and Mining of the Federal Republic of Somalia.

We would like to put it on record that we shall be available to hosting conferences and summits in the future that are beneficial to the development of Somalia and we are ready to work with the current and any Government of Somalia in the future. Thank you.

Regards,

Dr. Ali M. Abdullahi,
Managing Director,
Amsas Contractors Ltd.
