Somalia Forum: Current Challenges and the way forward

Date: Sunday 8th July 2007

The Somali Transitional Government has been in office for close to 3 years and has achieved some progress while other issues have been sidelined due to technical, Funding and Governance challenges. In this forum we will look at recent and current Political, Security, Governance and constitutional challenges Somalia is facing.

Time: 3.00pm-6.30pm

Comments and Response
